A balanced budget amendment (BBA) to our Constitution is a permanent solution to our nation's fiscal crisis to legally force future Congresses and Presidents to stop spending money they don't have. Earlier this week I sat down to share my thoughts about a BBA and why it's so important for the future of our country.

America Speaking Out (ASO), www.americaspeakingout.com, is an online community aimed at giving you a voice and the power to set the agenda in Congress. Through ASO, you can express your opinion about the BBA, which will be voted on in the House this fall.

I encourage you to visit www.americaspeakingout.com now to express your opinion about a BBA. It is through the support of the citizens like you that a BBA will become a reality - bringing much-needed certainty to the small business community, putting an end to the out-of-control spending, and restoring accountability to Congress.

As always, it is truly an honor to serve you in Washington. Please contact me at 630.232.7104 or 202.225.2976 if I can be of assistance, or if you'd like to share your thoughts on the issues before Congress.

In service,

Randy Hultgren
Member of Congress
