Dear Friend,

Happy Memorial Day! I hope you are able to spend a great weekend with family, especially the veterans in your life.

Veterans' Affairs Bill

On Monday we will remember those who have given our lives for our nation, so it's appropriate that on Wednesday the House of Representatives plans to take up this year's Military Construction and Veterans' Affairs Appropriations bill. This bill will ensure that even under the tight fiscal circumstances, the commitments made to our nation's veterans will be met.

Meetings at Home

Not every week of the month is spent in Washington. This past week, I was back in the district, and had the opportunity to visit several businesses at home. Click below for a slideshow of these visits and others on my Facebook page:

Congratulations, Graduates!

Today, I'll be at my alma mater- Bethel University in Minnesota- giving their commencement address. I'm so honored to share what I've learned with the Class of 2012, and wish sincere congratulations to everyone graduating this spring!

If you know a recent graduate (or undergraduate college student) interested in government and public service, let them know that my office is now accepting applications for full and part-time **Fall 2012 Internships**, both on Capitol Hill and in my district office. Internships will run September-December and will be unpaid.

More information can be found [on my website](#), and applicants may send their resume and preferred location (Washington, DC or Geneva, Illinois) to hultgrenresumes@gmail.com. It's a great way to see the legislative process up close, assist staff with research and writing projects, and see if politics may be a career for you!

In Service,

Randy
