**RANDY HULTGREN**

Proudly Representing the 14th District of Illinois

[Home](#)[About Randy](#)[Serving You](#)[News](#)[Our District](#)[Contact](#)

August 26, 2011

Dear Friend,

It's been a great month so far back in the 14th District. I'd like to thank everyone for coming out to my town hall meetings this month. We may not agree on all of the issues, but it means so much to me that you are willing to be engaged in the process and have your opinions heard on the issues most important to you.

Please remember that I am holding another town hall meeting on Monday, August 29, in the Yorkville City Council Chambers at 6:00pm. Hope to see you there.

I've always said that some of my most important work is done back home in Illinois, and that's absolutely been the case this August. While I've been home, I've had the opportunity to meet with hundreds of constituents through one-on-one meetings, speeches to different groups and organizations, and local business tours.

I was particularly proud to be joined earlier this month in Oswego by State Rep. Tom Cross, Oswego Mayor Brian LeClercq and Metra CEO Alex Clifford to announce that Metra is moving forward with the Phase 1 Engineering studies to advance a project to extend commuter rail service to Oswego.

This project will be a huge victory for a region that has seen incredible growth over the past decade by helping to ease congestion on our expressways and providing a huge economic boost to the entire area.

I'd like to thank the students at Northern Illinois University for welcoming me to campus last week. I'm truly impressed by the work of these students. They are great representatives of the area, the 14th District and the state of Illinois and I wish them the best of luck as they begin to pursue their chosen careers.

If you haven't already, be sure to "like" my [Facebook page](#), follow me on [Twitter](#), or check out my [YouTube page](#) to stay informed on everything I'm doing on your behalf in Washington and in Illinois. Also, I've updated my Facebook page with dozens of pictures from my meetings throughout the district this month - be sure to check it out.

As always, it is truly an honor to serve you in Washington. Please contact me at 630.232.7104 or 202.225.2976 if I can be of assistance, or if you'd like to share your thoughts on the issues before Congress.

In service,

Randy Hultgren
Member of Congress

Congress Goes Mobile

If you are looking for another method to keep up-to-date with everything going on in Washington and in the 14th District, I recently launched a free iPhone app and mobile website.

Both the app and the mobile website streamline information into one place and provide constituents with a new way of interacting with me and my office.

To download the app for the iPhone, iPad and iPod touch, [click here](#) or visit the iTunes app store. To visit and bookmark the mobile website, which is compatible with both iPhones and Android devices, simply visit hultgren.house.gov on your phone.

Mobile Office Hours

Staff from my district office will be available to assist constituents with individual concerns at the following scheduled mobile office hours:

Monday, August 29

Rock Falls Library
1007 7th Ave

E-mail Updates

Yes, please periodically send me e-mail updates.*
